DEATH OF WM. F. GORMAN.- Last evening news was received of the death of Wm. F. Gorman, late of Pioche. He died at Paso Robles Hot Springs, San Luis Obispo county, on the 1st inst. Mr. G. was born at Washington City, D. C., in 1827, and was 46 years old at the time of his death. He was a Mexi-can War Veterau, having served in a Baltimore regiment. He came to Cali-fernia in 1849, and during his long resi-dence on the Pacific coast has lived at dence on the Pacific coast has lived at Jamestown and Sonora, in Tuolumne county, Cal., in Idaho Territory, in Virginia City, Austin, White Pine and Pioche, Nev. Relatives of deceased reside in Philadelphia and New York City. Two of his brothers are in Adams Express Company, Philadelphia, one of whom has been with the company 30 years, and is now Superintendent of the Philadelphia branch. He leaves a wife, three children and a brother in Pioche.

RIDE TO BULLIONVILLE. On Sunday we availed ourself of Billy's Express, and rode to Bullionville. The weather being delightful, we were conveyed over the great waste between Pioche and Bulhonville very pleasantly. There is nothing particularly attractive in the scenery between the points named, as there is scarcely a tree to be seen or even a blade of grass until the head of Meadow Valley is reached. We found Bullionville a very ively camp, and people busy about the mills and workshops. About a mile and a half beyond is the swimming bath near Panaca. It is about five feet deep by 18 feet long and 15 feet wide. At least 20 inches of water flows through, rendering it one of the most desirable places for a bathing establishment of which we have any knowledge. The place is frequently resorted to by Pioche people and others.

VESTERDAY morning about 11 o'clock quite a serious necident occurred to a tesm hauling ore from the Fallis mine, of Spring Mountain. While the team was coming down a very steep and rocky portion of the road which leads to the mue, the chain which fastened the wheels broke, and the wagon, loaded with ere, ran down upon the horses, one of which stumbled and fell, the wagon passing ever him, breaking three of his ribs and very seriously injuring his right shoulder, besides pealing the "bark" off of his back. The driver hitched his leaders to the tongue and brought his wagon down on the road, and the last we saw of ald "busted-sides" he was following his mute down the road to Bullionville, very much resembling a badly "bunged up" horse. We believe the team belongs to

ACCUTTED. The case of "Tommy the Headmaker," who was arrested on the charge of highway robbery, came up for hearing last evening before Justice Van Hagen, when, after patiently hearing the testimony, it was concluded that it did not warrant him in holding the pris-ener. He therefore dismissed the case. The robbery, if any was committed, was no doubt perpetrated by one of the "strap game operators." who have of late been victimizing Mormon teamsters, and bare no doubt, ere this, left the town. Mr. Young, the plaintiff in the above case, mourns the loss of his chronome-

THE Placerville Democrat raises another point in regard to the California Supreme Judgeship. If Judges Belcher and Crockett both are to go out of office, as the Republicans contended when they ominated Dwinalla and Rene not McKinstry and McKee go into those places? The returns show that if any other than McKinstry is elected to the Supreme Bench it is McKee, who is far shead of Dwinelle or Brunson, and if the Brunson point is worth anything it will rebound to the advantage of McKee.

Or the fifty-two Senators and Repre-sentatives known to have returned the "back pay" forty-one are Republicans reacesco this morning. He is accompanied by his family.
